**COMMUNITY HEALTH WORKER NCD PILOT PROJECT: LEARNING IMPLEMENTATION
PROVINCIAL CONSULTANT X2
SIX MONTH FIXED-TERM CONTRACT
EASTERN CAPE OR FREE STATE PROVINCE**

The Desmond Tutu Health Foundation (DTHF) is a registered non-profit organisation focused on the pursuit of excellence in research, treatment, training and prevention of Health and related infections in Southern Africa.

We have fantastic job opportunities across our businesses for talented people wanting to realize their full potential. Could that be you? If so, we invite you to explore the possibility of joining us to play your part in Desmond Tutu Health Foundations' exciting future.

Our Knowledge Translation Unit is currently recruiting Community Health Worker (CHW) Project Provincial Consultants, for a six (6) months fixed-term contract, in either the Eastern Cape or Free State Province to support a non-communicable diseases (NCD) training programme pilot.

Minimum Requirements:

- Post-graduate Nursing qualification with a duration of at least 1 year
- Registration with the South African Nursing Council (SANC) as Professional Nurse
- A minimum of 2-3 years' experience in working in primary health care
- A minimum of 2-3 years' experience in training programme development, facilitation, and implementation
- Experience training Master Trainers, Outreach Team Leaders and Community Health Workers in the Ward-Based Primary Health Care Outreach Team Foundation Phase Training package
- Computer literacy (proficiency in MS office: Word, PowerPoint, Excel, Outlook as well as communications via Teams and Zoom)
- Excellent communication (verbal and written) and coordination skills
- Able to work under pressure and independently and accurately with minimal supervision
- Willing to work in a community setting
- Valid driver's license and own car
- Availability to travel regularly

The following will be advantageous:

- Accreditation with SANC in the following: Diploma in Clinical Nursing Science: Health, Assessment, Treatment and Care registered with the SANC [R48]
- A qualification in Nursing education
- A mature and responsible attitude towards work, with the ability to take ownership of projects
- Strong on giving attention to detail
- Take the initiative and solve problems
- Be adaptable to new projects and requirements
- The ability to work independently and also be a team player; with a willingness to take direction

KTU Vision Fit: To improve the quality of primary healthcare for underserved communities through pragmatic research, evidence-based implementation, evaluation, and engagement of health systems, their planners, providers and patients

Values fit: Passion Innovation Progress Integrity Respect Excellence

PASSION | INNOVATION | PROGRESS

Responsibilities:

- Provincial, district and facility level stakeholder engagement and liaison to prepare, implement and evaluate the NCD pilot training
- Co-facilitation of training workshops
- Ongoing mentorship and support of the training plan in all identified areas, including support of training, assessment of outreach team leaders (OTLs) and Community health workers (CHWs) and workplace learning activities
- Monitoring and evaluation of training activities, including narrative process reporting and presentations to stakeholders
- Feedback into programme/curriculum and materials development in collaboration with head of training, co-trainers and content developers

The applicants will be based in either Free State (Mangaung) or Eastern Cape (District TBC) but will be required to support both provinces as well as travel nationally.

Remuneration will be commensurate with qualification and experience.

Application Process and Disclaimer:

To apply, there is a **two-step** process:

1. Complete the questionnaire by clicking on the link:

[Provincial Consultant recruitment questionnaire](#)

2. Submit CV, motivation letter with certified copy of highest qualification and details of three (3) current contactable referees to: Attention HR Manager Jobs@hiv-research.org.za by 30th August 2021 and include the reference number: #DTHF/C049. Incomplete applications will not be considered. Only applicants who have completed both applications steps, will be considered.

NB: Only short-listed candidates will be contacted. We are committed to equity in our employment practices. It is our intention to appoint individuals with the aim of meeting our equity objectives. We reserve the right not to appoint if no suitable candidates are identified.

I understand and accept that by applying for this position, I authorized DTHF to process my personal information in accordance with its internal operational requirements.

I further understand that the personal information I disclose to DTHF will be processed in accordance with the requirements set out in the Protection of Personal Information Act and may include the transferring thereof to third parties for the purposes of verification.

For more information on the policy of DTHF pertaining to the protection of your personal information under its control, you may contact Ms Tania Thornton at Tania.Thornton@hiv-research.org.za

This job may be removed before it expires.

If you have not heard from us within two weeks after the closing date please consider your application as unsuccessful.

Desmond Tutu Health Foundation is a child-friendly organisation committed to the protection of children.
